STANDING ORDER REGARDING VIDEO APPEARANCES FOR HEARINGS SCHEDULED ON OR AFTER NOVEMBER 7, 2020	

The Court is now able to host Webex hearings. This permits parties, attorneys and witnesses in Domestic Relation cases to appear in Court by video rather than in person during Governor Polis' Safer-At-Home Executive Order, Chief Justice Coats' Order dated May 5, 2020, and Chief Judge Flynn's Administrative Order 2020-21.

There are two ways to connect to a WebEx session, either as a video participant or via telephone. In either case, follow the instructions below.

In order to join a Webex session as a video participant, you will need to install the Webex app on your computer or smart phone. You can obtain the app through an app store or at webex.com. To connect to a Webex session, please follow these steps:

1. When prompted, enter the Meeting ID **929 691 274** followed by #
2. Enter in Your Name
3. Enter in Your Email Address
4. Select "Join"

In order to join a Webex session as a telephone participant\*, please follow these steps:

1. Using a phone call 1-415-655-0001 to reach WebEx
2. When prompted enter the Meeting ID **929 691 274** followed by #
3. When prompted for a participant number, enter # again (you do not need an actual number, just enter #).

\* Please note that if you participate by phone into a hearing and do not have video, that the hearing maybe vacated.

Alternately, you can reach the session by visiting:

<https://judicial.webex.com/meet/daniel.garcia>

The Meeting ID is associated with the Webex location set up for Division 4/Garcia only. Meeting ID **929 691 274** is the number you will always use for Division 4.

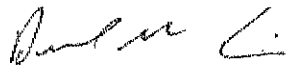

The Court will consider upon written motion filed at least seven (7) days prior to any scheduled hearing, and upon good cause shown, a request that a hearing be conducted in person at the courthouse.

Be aware that all parties will be able to see and hear ALL participants who have joined the session via video. All participants must wear appropriate attire and conduct themselves as they would in Court.

Pretrial orders regarding Webex hearings:

1. All parties and witnesses are required to sign into Webex ten (10) minutes prior to the hearing, allowing the courts to ensure audio and video are working for all parties related to case.
2. Attorneys and any self-represented parties are responsible for providing the above information to their witnesses so they may appear via Webex or telephone.
3. If a witness will not be testifying via video appearance, but by telephone, then the party calling that witness must first obtain a court order for absentee testimony in compliance with requirements of C.R.C.P. 43(I)(1).
4. All Witness and Exhibit disclosures must be filed with the Court and served on the other party at least seven (7) days before the scheduled date for the hearing.
5. All Exhibits must be pre-marked and digitally uploaded with the Court at least seven (7) days before the scheduled date for the hearing. Attorneys shall file all their pleadings through JPOD. Absent an agreement of the parties, the Court will not accept any exhibits disclosed for the first time at the hearing since it will be physically impossible to do so.
6. The Court will accept e-mail pleadings at [mesacourtdocuments@judicial.state.co.us](mailto:mesacourtdocuments@judicial.state.co.us) from self-represented parties who cannot file them digitally with the court. Self-represented parties may also mail pleadings to the Court at P.O. Box 20,000-5030, Grand Junction, CO 81501.
