THE ONE DAY OR ONE TRIAL JURY SYSTEM

Colorado law makes jury service as convenient as possible for the majority of our citizens. You have been randomly selected for jury duty. You should be prepared to serve at least one full day or, if selected for a trial, the duration of that trial. Most jurors complete their jury duty in one day. For those who are selected, the average length of a jury trial is three days. An explanation of payment for both employed and unemployed jurors can be found inside this summons. To preserve the fairness of jury selection, there are no occupational, economic, or upper age limit exemptions, from jury service.
